RE: ALL CASES I FILED in this Court.

MR. DALLEO,

I'm in prison for a crime I did not do, B) scanned  
and I was really wrongly convicted.

I want a list of all the civil Cases I filed  
the Hobbes Corpus.

the 1983 Lawsuit Collig wood v Oberly et al.

the other lawsuits I filed

and Collig wood vs Stan Taylor et al.

I got a electronic memo sayig my last suit  
was dismissed, look, I already paid \$80.00  
towards it and I am not dismissed on  
Resolving "Anyting" except through a Pretrial  
Conference and if the defendants settle  
with me to a monetary settled and terms  
I accept I'll resolve these lawsuits if not  
I am going to trial. I have a Constitutional  
right to a Jury trial under the 7th amendment.

I also have a 1st amendment right to petition  
for Redress of grievances and a 14th amendment  
right to equal treatment of the laws as a  
Naturalized Born U.S. Citizens. I am quite  
aware of this plot and Conspiring to  
Commit fraud and the internal Cover up of  
my assault and wrongful Conviction

the facts are "my money" is Being deducted

out of my prison account and my filings are not even reaching the Courts, the letters, the documents I get are all Being internally Created and fraudulated. down to the Signature of Sue L. Robinson.

(AKA) TRACI Johnson.

Ive got original records of all the facts locked away in 3 separate states and you all will not get away with the fraud, and Cover up of my wrongfull Conviction!

\* This is also other people Counter fitting my writing and signature, and Brian Engrams will not NOTORIZE my pleadings as I want for authentication purposes.

I'm reopening all my cases soon as I obtain legal assistance, you don't have the legal authority to dismiss my cases I demanded a Jury trial on and anything to the contrary is a Communist Agenda!

Send me a list and cost of all the cases I filed and how much it will cost for a Certified Copy of the originals as I filed them!

Sincerely,

Lawrence R. Collingwood Jr
